Interested in the clean energy transition in California?

Want to work on projects with environmental justice groups on equitable building decarbonization?

Want to integrate law, economics, and technical perspectives on building electrification, public health, and community resilience?

Enroll in Buildings in the Energy Transition: Resilient, Clean and Just Policy Practicum, and help address pressing policy issues!

Offered Tuesdays from 9 – 11 AM

Graduate students from all disciplines are encouraged to apply!

Visit explorecourses.stanford.edu for more information!
